The bus driver

Ahmed is 59 years old. He has one son his name is Fahd. Ahmed has recently found a job as a bus driver in Jeddah, Saudi Arabia. He works the morning shift from 5:30 to 1:30 and sometimes he has the evening shift finishing around 8 pm. His bus number is 9, which runs north and south a long Al Andalus road. His route is busy, but it is in a nice part of town. Ahmed likes his job very much because he meets lots of people. He works three hours on Sunday, and he has the day off on Friday. He usually spends Fridays with his family or play golf with his friends Omar and Yasser. Next year, Ahmed will be 60 and he is thinking of retiring. His wife wants him to work a little longer because they still owe money for the car they bought. Ahmed has worked hard for the past 40 years, and he wants to retire as soon as possible. He is not worried about money, because his son will help him to pay the car.

Traffic

Traffic moves along on the streets and highways. There are rules that drivers must follow to make the traffic flow smoothly. You must wear a seatbelt. The seatbelt helps to keep you safe. You must stop at all stop signs. You must also stop at a red light. A green light means go, and a yellow light means to be careful. If you see a sign that says school crossing, you have to be careful because you are near a school, and children might be crossing the street. Some places are crosswalks. Those are places where people cross the street. People who are walking have the right of way. If you hear a siren behind you, you must pull over. An emergency vehicle like a police car or an ambulance might need to get somewhere fast. When a school bus puts on its flashing signals, you have to stop. You can't go past the school bus because children may be crossing the street from the bus. You should always obey the speed limit. It is not good to drive too fast. People should never eat and drive. Driving is a serious business. You have to obey all the rules to be a good driver.
