Write the correct word under each picture

Reading Section

Many college students try to have a healthy lifestyle, but it can be difficult due to their busy schedules. They often have to balance classes, studying, and social activities, which can lead to eating unhealthy foods and not getting enough sleep. Some students might skip meals or grab fast food instead of cooking healthy meals. Exercise can also be hard to fit into their day. However, many colleges offer gyms and health programs to help students stay active and learn about good nutrition. It's important for students to find ways to be healthy so they can do their best in school.

1. What is one reason college students might eat unhealthy foods?

- a. They don't like healthy food
- b. Healthy food is too expensive
- c. They have busy schedules

2. Which of these is a good way for students to stay healthy?

- b. Staying up late to study
- c. Eating fast food every day
- d. Using the college gym to exercise

3. Why is it important for students to be healthy?

- a. To make their parents happy
- b. To do their best in school
- c. To become famous

4. What might colleges offer to help students stay healthy?

- a. Free junk food
- b. Extra homework
- c. Health programs

5. What can make it hard for students to cook healthy meals?

- a. They don't have time
- b. Healthy food tastes bad
- c. Cooking is too difficult

My Trip

This summer, I am planning a trip to the beach! I can't wait to relax in the sun and play in the waves. I want to go to the ocean. I will build sandcastles and collect seashells. I am going to leave on Saturday. I will stay for three days. I want to leave from our local airport. My family is going with me. We want to stay at a fun hotel near the beach. I want to see the dolphins and the beautiful sunset!
