Listen to the audio carefully then choose the correct answer:

Badria - Listening - SG3 T1 new diet-Good Health

Listen carefully then answer the question

Badria started a new diet called **the Good Health Program**. This is what she told me about it: "At first, I didn't understand the diet because there were a lot of rules—about three pages of them! For example, you have to **take 1 tablespoon of oil twice a day**. That's not a lot of oil, but it helps you lose weight for some reason. You need to drink a little **lemon juice in water twice a day**. Fruits are part of the diet. You can have a few pieces of fruit—one, two, or three pieces—every day. You can eat a lot of different vegetables. In fact, you can eat all the vegetables you want, including **beans, broccoli, cucumbers, onions**, and 25 more. But you can only have a **few spices**. They cause **problems** with this diet. You need to drink a lot of **water**—at **least eight glasses a day**! I don't know if I can do that all the time. You can't eat a lot of **meat**—only **225 grams** once a day. But that doesn't bother me. I usually eat only a little meat anyway. There are only a few things on the diet that I **never eat**—actually just two things—**lamb and tomatoes**. And they encourage you to get a little exercise, but not too much. All in all, I think it's a good program.

Good luck
